Aisley Terms of Use

Last updated: July 27, 2026

Welcome to Aisley. By accessing or using the Aisley mobile application, website, or related services (collectively, "Aisley" or the "Service"), you agree to these Terms of Use. If you do not agree to these Terms, do not use the Service.

1. Use of the Service

Aisley provides a personalized fashion discovery experience that helps users explore products from third-party stores and brands. Aisley may also provide AI-powered features, including Aisley Agent, that generate product summaries, comparisons, highlights, observations, and other information. You may use Aisley only for personal, non-commercial purposes and in compliance with these Terms and applicable law.

2. Aisley Agent and AI-Generated Information

Aisley Agent uses artificial intelligence to analyze selected product information and generate responses. Depending on the feature you use, the information processed may include product images, image URLs, descriptions, prices, item metadata, your selected question, and limited preferences or interactions relevant to the request. Aisley may use third-party artificial intelligence and technology service providers to process this information as described in the Aisley Privacy Policy.

Aisley Agent outputs are generated automatically and may be inaccurate, incomplete, subjective, misleading, or outdated. They may not reflect the latest merchant information or all relevant product details. Aisley does not guarantee any statement regarding a product's fit, sizing, quality, authenticity, materials, condition, durability, comfort, suitability, value, price, inventory, availability, shipping, returns, or merchant practices.

Agent outputs are provided for general informational and discovery purposes only. They are not professional advice and should not be treated as a substitute for reviewing the merchant's listing, sizing information, return policy, and other product details. You are responsible for evaluating products and making your own purchasing decisions.

Aisley does not guarantee that Aisley Agent will always be available, produce a response, or respond within a particular period of time. We may modify, limit, suspend, or discontinue Agent features at any time.

3. Third-Party Content and Products

Aisley displays images, product information, pricing, availability, store locations, links, and other content sourced from third-party stores, brands, retailers, websites, and content providers. Aisley does not own, manufacture, sell, manage, endorse, or control these products or merchants.

All purchases are made directly with the third-party store or merchant. Aisley is not a party to any transaction between you and a merchant and is not responsible for payment processing, order fulfillment, shipping, returns, refunds, exchanges, customer service, warranties, product safety, or merchant conduct.

Aisley does not guarantee the accuracy, completeness, or timeliness of third-party information. Products may be out of stock, unavailable, inaccurately priced, incorrectly described, or no longer offered when you view or follow a link. Merchant information controls in the event of a discrepancy.

Your use of third-party websites and services is governed by their own terms and privacy policies. Aisley is not responsible for third-party content, websites, services, policies, or practices.

4. No Marketplace

Aisley is a fashion discovery and research service, not a marketplace. Aisley does not process product payments or complete transactions. The Service helps users discover products and access third-party merchant websites.

5. User Accounts

You may be required to provide an email address or use another supported authentication method to access certain features. You are responsible for maintaining the confidentiality and security of your account and for activity conducted through it. You agree to provide accurate information and to notify us promptly if you believe your account has been accessed without authorization.

6. Acceptable Use

You agree not to:

- Use Aisley for unlawful, fraudulent, harmful, or abusive purposes;
- Attempt to interfere with, disrupt, overload, damage, or gain unauthorized access to the Service or its systems;
- Scrape, crawl, copy, extract, reproduce, republish, or reuse Aisley content or data except as expressly permitted by us or applicable law;
- Use automated systems, bots, or scripts to access the Service without written permission;
- Reverse engineer, decompile, disassemble, probe, or attempt to discover source code, model instructions, security measures, or non-public functionality, except where such restrictions are prohibited by law;
- Circumvent usage limits, access controls, safety protections, or technical restrictions;
- Use Aisley Agent to generate, facilitate, or distribute unlawful, infringing, deceptive, or harmful content; or
- Misuse or abuse the Service, impersonate another person, or violate the rights of Aisley, merchants, users, or third parties.

We may suspend or terminate access to the Service if we reasonably believe you have violated these Terms, created risk or legal exposure, or interfered with the operation or security of Aisley.

7. Intellectual Property

Aisley does not claim ownership of third-party product images, trademarks, descriptions, or product data displayed through the Service. Those materials belong to their respective owners and may be subject to third-party rights and restrictions.

Aisley's software, branding, design, interfaces, ranking and recommendation systems, Agent functionality, and other original materials are owned by or licensed to Aisley and are protected by intellectual property and other laws. These Terms grant you a limited, revocable, non-exclusive, non-transferable right to use the Service for personal, non-commercial purposes. No other rights are granted.

8. Location-Based Features

Aisley may use your location, if you grant permission, to show nearby items, stores, or boutiques. Location-based results may be incomplete or inaccurate. Location information is handled as described in the Aisley Privacy Policy, and you may change location permissions through your device settings.

9. Privacy and Data Processing

Your use of Aisley is subject to the Aisley Privacy Policy. By using Aisley Agent, you authorize Aisley and its service providers to process the information needed to generate the requested response in accordance with that policy. Do not provide information through the Service that you do not have the right to provide.

10. Disclaimer of Warranties

To the maximum extent permitted by law, Aisley is provided "as is" and "as available," without warranties of any kind, whether express, implied, or statutory. Aisley disclaims all implied warranties, including merchantability, fitness for a particular purpose, title, and non-infringement.

We do not warrant that the Service, recommendations, nearby results, product information, links, or AI-generated outputs will be accurate, complete, current, reliable, uninterrupted, secure, error-free, or suitable for your needs. We do not guarantee that any product will be available for purchase at any particular time, price, or location.

11. Limitation of Liability

To the maximum extent permitted by law, Aisley and its owners, operators, affiliates, service providers, licensors, employees, and agents will not be liable for any indirect, incidental, special, consequential, exemplary, or punitive damages, or for any loss of profits, revenue, data, goodwill, business opportunity, or anticipated savings arising from or related to your use of, or inability to use, the Service.

This limitation applies to losses arising from product information, AI-generated outputs, recommendations, purchases from third-party merchants, third-party websites or services, unauthorized account access, service interruptions, or reliance on information provided through Aisley, even if Aisley has been advised of the possibility of such damages.

Some jurisdictions do not allow certain warranty exclusions or limitations of liability. In those jurisdictions, these provisions apply only to the extent permitted by law.

12. Changes to the Service

We may add, remove, modify, suspend, or discontinue any part of Aisley, including Aisley Agent, at any time. We may also impose or change usage limits, eligibility requirements, or feature availability. We are not liable for modifications, suspensions, or discontinuation of the Service.

13. Changes to These Terms

We may update these Terms from time to time. If we make changes, we will update the “Last updated” date. Your continued use of Aisley after updated Terms become effective means you accept the updated Terms. If you do not agree to an update, you must stop using the Service.
